My dear Plowden,

Assistant Engineer Mr.T.K.N. Pillai who has applied for the vacancy under the Municipal Engineer has asked me for a letter to you.

He was working in my circle before I went on leave and on my recommendation was placed in charge of the works at Karapur for the Prince of Wales' Visit. I understand he has done well there.

I have a high opinion of him and hope he will succeed in getting the billet he has applied for.

I may be wrong in writing to you about it but as he has begged me to do so I have done it.

Hoping you are fit.

Yours sincerely
Sdy H.D. Rice
